

Global Amenity Migration: Transforming Rural Culture, Economy and Landscape, New Ecology Press, 2014 (435 pp)

Edited by Laurence A. G. Moss, PhD & Romella S. Glorioso PhD

Table of Contents

Introduction

Laurence A.G. Moss & Romella S. Glorioso

Part 1: Strategic Concepts and Conditions

1. The Rural Change Agent Amenity Migration: Some Further Explorations
Laurence A.G. Moss
International Amenity Migration Centre & Asian Institute of Technology
2. Amenity Migration, Affinity to Place, Serious Leisure and Resilience
Linda Kruger¹, Steven Selin² & Katherine Thompson²
U.S. Forest Service¹, University of West Virginia²
3. Amenities, Public Goods and Community
Gundars Rudzitis¹, Philip E. Graves² & Laurence A.G. Moss³
University of Idaho¹, University of Colorado², International Amenity Migration Centre³
4. Sentiments and Activism: Attachment and Participation in Changing Amenity-rich Communities
David Matarrita-Cascante Texas A&M University
5. Negotiating the Value of "Slow" in Amenity Migration
Nicholas Osbaldiston¹ & Fecility Picken²
James Cook University¹, University of Tasmania²
6. The Larger Socio-economic Dynamic of Amenity-Seeking Practice
Manfred Perlik University of Grenoble & University of Bern

Part 2: Learning from Local and Regional Experience

Deepening Understanding in Wealthier Societies

7. Toward A Radical Theory of Place in the American West
Gundars Rudzitis University of Idaho
8. The Role of Amenities in Crafting a Regional Sustainability Strategy: The Similkameen Valley, British Columbia, Canada

Romella S. Glorios International Amenity Migration Centre

9. Turning Mountain Migrants into Mountain Stewards: Best Practices, Future Promise in Bridging Stakeholder Divides
Linda McMillan World Conservation Union
10. Fire Risk and Amenity Migration: A Cautionary Tale of the Law of Unintended Consequences
Kim Sorvig University of New Mexico
11. Incurred vs. Chosen Territories in France: Amenity Migration and Spatial Planning Issues
Jean-Christophr Dissart Pierre-Mendés University
12. The Forgotten Faces of Amenity Migration: Poor Migrants Moving to the Uplands of France
Françoise Cognard Blaise Pascal University
13. Quality of Life, Not Endless Growth: A Scientific Model for Alpine Space Focusing on the Socio-Cultural Dimension
Lars Keller University of Innsbruck & University of Malta
14. The Effects of Amenity Migration on Ethnic Minorities in the Alps: Case Study of the Italian Alps
Ernst Steinicke & Roland Löffler University of Innsbruck
15. Recreational Home Agglomerations in Rural Areas in Norway as Emerging Economic and Political Space
Tor Arnesen Eastern Norway Research Institute
16. Land Use Planning and Management for Second Homes and Tourism Development in a Mountainous District: Ringebu, Norway
Kjell Overvåg¹ & Terje Skjeggedal²
Eastern Norway Research Institute¹, Norwegian University of Science & Technology²

An Increasing Global Presence

17. The Czech Migration for Amenities
Michael Bartoš^{1&2}, Drahomira Kušová², Jan Těšitel² & Laurence A.G. Moss³
Charles University¹, University of South Bohemia², International Amenity Migration Centre³
18. Amenity Migration in Slovenia: Between Tradition and Globalization
Barbara Lampič & Irena Mrak University of Ljubljana

19. Metro-peripheral and Lakeside Amenity Settlements: Chilean Case Studies
Rodrigo Hidalgo¹, Hugo Zunino², Oliver Bender³ & Axel Borsdorf³
Catholic University of Chile¹, Frontera University², Austrian Academy of Sciences³
20. Contradictions in Amenity-led Growth: Insights from the Argentine Experience
Rodrigo González & Adriana M. Otero National University of Comahue
21. Mineral de Pozos: Where Amenity Tourists Recreate Mexican Identity
Daniel Hiernaux-Nicolas Free University of Querentaro
22. Second Residences in Oukaïmeden: Early Amenity Migration in the High Atlas, Morocco
Dennis Fricken & Ernst Steinicke University of Innsbruck
23. From Visiting to Residence in Asian Hill Stations: A Study of Sapa, Vietnam
Vu Nam¹ & Makato Sato²
Vietnam National Tourism Administration & National University of Hanoi¹,
Kumamoto University & Hokkaido University²
24. Early Stage Amenity Dynamics in China: The Yunnan Amenity Corridor
Douglas Webster¹, Jianming Chi², Larissa Muller³ & Wen Ting²
Arizona State University¹, Chinese National Academy of Sciences²,
University of Calgary³

Part 3: Planning for Sustainability

25. Planning for Sustainable Living in High Amenity Communities: Charting the Course in an Era of Unprecedented Climate Change and Uncertainty
Romella S. Glorioso International Amenity Migration Centre
